

Together for patient safety and health

European Society of
Anaesthesiology and
Intensive Care

Partner

Your company can become a partner of ESAIC for different time scales

Both pharmaceutical and medical device companies can become an ESAIC partner and support the ESAIC mission and values through educational, research, patient safety, scientific activities and events, including Euroanaesthesia and the Focus Meeting.

In return, ESAIC partner companies have a year-round partnership affiliation with the ESAIC and get recognition of this support through a defined package.

Sponsoring Euroanaesthesia and the Focus Meeting can include:

- Exhibition Booth
- Symposia
- Sponsorship items (mobile app, lanyards, cups, livestreaming, enewsletter article,...)
- Onsite advertising (signage)
- Fellowship

All ESAIC Partners will receive a variety of benefits:

- Congress related:
 - Prime Booth location
 - Preferred allocation for symposium slots, sponsorship and advertising items
 - Company logo on Congress website page and mobile app
- Company logo onsite advertisement at Euroanaesthesia
- Company logo and link to website on ESAIC website homepage
- Partners meetings in Brussels (1 or 2 per year)
- First right of refusal for other ESAIC projects
- Free Affiliate membership

* General note: in view of the sustainability programme of the ESAIC, please note that paper advertisements can be replaced by online advertisements.
