

## Appendix 11: End of study reporting form for the ARCTIC-I Study (to be filled in by local PI)

Protocol number:	Clinicaltrials.gov ID: NCT04522856	Centre name	
Centre number:		Centre address	
Site PI's name:			

Recruiting period	From	Until
Number of all eligible patients		(see Appendix 7, screening list)
Number of included patients		(see Appendix 7, screening list)

Please confirm investigators from your centre with substantial involvement in the study.

Recognition as author or collaborator is granted depending on the number of correctly included and fully documented patients (cf. study protocol, section 12.1). Both will be trackable via PubMed.

By order of importance, first fill in the lines 'author' until the total number of patients is reached, then the lines 'collaborator' until the applicable number of patients.

Recognition as	# of patients	Last Name	First Name	E-mail address
Author	≥ 50			
Author	≥ 100			
Author	≥ 150			
Author	≥ 200			
Author	≥ 250			
Collaborator	≥ 10			
Collaborator	≥ 25			
Collaborator	≥ 75			
Collaborator	≥ 125			
Collaborator	≥ 175			
Collaborator	≥ 225
