Interactive discussion	17:40 - 17:50

Friday, 28 May 17:55 - 18:05	Break
---------------------------------	--------------

VIRTUAL 28 MAY 2021

INTERNATIONAL FORUM ON PERIOPERATIVE SAFETY & QUALITY

KNL

Keynote Lecture Friday, 28 May
18:05 - 18:25

Keynote Lecture II

If we as doctors become patients – how has Covid-19 changed our views?	18:05 -
Vojislava Neskovic (Belgrade, Serbia)	18:25

P

Panel Friday, 28 May
18:25 - 19:05

Combating preventable perioperative patient harm

Chair: Jannicke Mellin-Olsen (Rud, Norway)	
Safety strategies to prevent failure to rescue following perioperative stroke	18:25 -
Adrian Gelb (San Francisco, United States)	18:35
Preventing avoidable airway and pulmonary complications	18:35 -
Timothy M. Cook (Bath, United Kingdom)	18:45
Improving ward monitoring to prevent perioperative complications	18:45 -
Benedikt Preckel (Amsterdam, Netherlands)	18:55
Structured discussion	18:55 -
	19:05

Friday, 28 May
19:05 - 19:15

Break

VIRTUAL 28 MAY 2021

INTERNATIONAL FORUM ON PERIOPERATIVE SAFETY & QUALITY

BS

Breakout Session Friday, 28 May
19:15 - 19:45

Practices that will improve the safety of your patients

Parallel Session III

Chair:

Monica Harbell (Phoenix, United States)

Avoiding postoperative respiratory depression

Richard Urman (Boston, United States)

19:15 -

19:25

Troubles in overcoming hurdles to critical incident reporting

Vojislava Neskovic (Belgrade, Serbia)

19:25 -

19:35

Interactive discussion

19:35 -

19:45

BS

Breakout Session Friday, 28 May
19:15 - 19:45

Advancing perioperative medication safety

Parallel session IV

Chair:

David Whitaker (Manchester, United Kingdom)

Perioperative medication-related patient harm - Evidence from incident reporting

Daniel Arnal (Alcorcon, Spain)

19:15 -

19:25

Safe perioperative medication administration - Practical update from the APSF

Elizabeth Rebello (Houston, United States)

19:25 -

19:35

Interactive Discussion

19:35 -

19:45

Friday, 28 May
19:45 - 20:10

Discussion & Closing comments
