

INTERNATIONAL FORUM ON PERIOPERATIVE SAFETY & QUALITY

MILAN - JUNE 3, 2022

All times CET

Friday, 3 June
09:30 - 09:45

Welcome and Introduction

ESAIC ISQ Lead Benedikt Preckel (Amsterdam, Netherlands)
President ASA Randall Clark, (Denver, CO, United States)
President ESAIC Edoardo De Robertis, (Perugia, Italy)
Chair PSQC Daniel Arnal, (Madrid, Spain)

KNL

Keynote Lecture Friday, 3 June
09:45 - 10:15

Keynote 1

Chair:

Benedikt Preckel (Amsterdam, Netherlands)

Managing fatigue as part of a safety culture

Nancy Redfern (Newcastle Upon Tyne, United Kingdom)

09:45 -

10:05

Structured Discussion

10:05 -

10:15

P

Panel Friday, 3 June
10:15 - 11:00

Panel I

Fulfilling the recommendations of the Helsinki Declaration: Implementing National Healthcare Investigation Bodies

Chair:

Richard D. Urman (Boston, United States)

Experiences from Norway

Stine Marit Moen (Stavanger, Norway)

10:15 -

10:25

How to overcome barriers to implementing National Healthcare Investigation Bodies

David Whitaker (Manchester, United Kingdom)

10:25 -

10:35

Learning activities for establishing National Healthcare Investigation Bodies

Synnøve Serigstad (Stavanger, Norway)

10:35 -

10:45

Structured Discussion

10:45 -

11:00

Friday, 3 June
11:00 - 11:15

Break for changing rooms

BS

Breakout Session Friday, 3 June
11:15 - 12:15**Preoperative patient safety strategies**

Parallel Session 1

Chair:

Daniel Arnal (Alcorcon, Spain)

Shared Decision Making and Patient Empowerment

Richard D. Urman (Boston, United States)

11:15 -

11:30

Psychotropic medication – safely used or life-threatening?

Monica Harbell (Phoenix AZ, United States)

11:30 -

11:45

Pre-operative optimization of the patient to prevent post-operative cognitive deficits

Lisbeth Evered (New York, United States)

11:45 -

12:00

Interactive Discussion

12:00 -

12:15

BS

Breakout Session Friday, 3 June
11:15 - 12:15**Useful measures to improve patient safety**

Parallel Session II

Chair:

Christopher Neuhaus (Heidelberg, Germany)

Measuring Quality of Care– which are the most suitable Quality Indicators in Perioperative Medicine?

Johannes Wacker (Zürich, Switzerland)

11:15 -

11:30

Automation in the OR: friend or foe?

Sven Staender (Maennedorf, Switzerland)

11:30 -

11:45

Organizational safety in anesthesia

Federico Bilotta (Rome, Italy)

11:45 -

12:00

Interactive Discussion

12:00 -

12:15

Friday, 3 June
12:15 - 13:15**Lunch**

KNL

Keynote Lecture Friday, 3 June
13:15 - 13:45**Keynote lecture II****Chair:**

Jannicke Mellin-Olsen (Rud, Norway)

Opportunities for high-income countries to implement safer perioperative care in resource-constrained regions

Adrian Gelb (San Francisco, United States)

13:15 -

13:35

Structured Discussion

13:35 -
13:45

Friday, 3 June
13:45 - 14:00

Break for changing rooms

BS

Breakout Session Friday, 3 June
14:00 - 15:00

Peri-operative patient safety strategies

Parallel Session III

Chair:

Monica Harbell (Phoenix AZ, United States)

Safety Attitudes and Checklist Practices in Anaesthesiology

Christopher Neuhaus (Heidelberg, Germany)

14:00 -
14:15

Patients' satisfactory surveys and the likes

Jannicke Mellin-Olsen (Rud, Norway)

14:15 -
14:30

Balancing patient safety and pollution prevention

Jodie Sherman (New Haven, United States)

14:30 -
14:45

Interactive Discussion

14:45 -
15:00

BS

Breakout Session Friday, 3 June
14:00 - 15:00

Patient safety in specific situations

Parallel Session IV

Chair:

Benedikt Preckel (Amsterdam, Netherlands)

Safety of the pregnant patient on the ICU

Sophie Neuhaus (Heidelberg, Germany)

14:00 -
14:15

Training and education to safely manage mass casualty events

Sharon Einav (Jerusalem, Israel)

14:15 -
14:30

Neonatal anaesthesia – Highest risks for the smallest patients?

Nicola Disma (Genova, Italy)

14:30 -
14:45

Interactive Discussion

14:45 -
15:00

Friday, 3 June
15:00 - 15:30

Coffee Break

Panel

Friday, 3 June
15:30 - 16:15

Panel 2

Postoperative patient safety strategies

Chair:

Adrian Gelb (San Francisco, United States)

Use of Cognitive Aids on the ward and Intensive Care

Lena Koers (Amsterdam, Netherlands)

15:30 -

15:40

Post-operative hypotension – a significant vital parameter for patient safety?

Benedikt Preckel (Amsterdam, Netherlands)

15:40 -

15:50

Breaking the ICU walls: how to detect patient deterioration on the ward

Daniel Arnal (Alcorcon, Spain)

15:50 -

16:00

Structured Discussion

16:00 -

16:15

Friday, 3 June
16:15 - 16:45

Summation

Open Questions and Future perspectives – Panel with available speakers

Moderator:

Benedikt Preckel (Amsterdam, Netherlands)

Friday, 3 June
16:45 - 18:00

Reception

JOINTLY PROVIDED BY:

European Society of
Anaesthesiology and
Intensive Care

American Society of
Anesthesiologists™
